DECLARATION OF INDEPENDENT INVENTOR

I (We), Keith Oliver and Chung T. Cheng

make the following declaration:

As the below named inventors, We hereby state that we qualify as independent inventors as defined in 37 CFR 1.9(c) for purposes of paying reduced fees to the Patent and Trademark Office. We are the inventors of the invention disclosed in an application for United States patent entitled:

HEAT SOURCE LOCATOR

We have not assigned, granted, conveyed, or licensed, and we am under no obligation under contract or law to assign, grant, convey, or license, any rights in the invention to any person who would not qualify as an independent inventor under 37 CFR 1.9(c) if that person had made the invention, or to any concern which would not qualify as a small business concern under 37 CFR 1.9(d) or a nonprofit organization under 37 CFR 1.9(e).

And we also acknowledge that once we have assigned, granted, conveyed, or licensed, or come under an obligation to assign, grant, convey or license, any rights to the invention to anyone who could not likewise obtain status as a small entity, we will no longer be entitled to pay fees to the U.S. Patent and Trademark Office in the amounts established for an independent inventor.

We further declare that all statements made herein of my own knowledge are true and that all statements made on information and belief are believed to be true, and further that these statements were made with the knowledge that willful false statements and the like so made are punishable by fine or imprisonment, or both, under Section 1001 of Title 18 of the United States Code and that such willful false statements may jeopardize the validity of the application or patent resulting therefrom.
